VISION STATEMENT

HTK is a vibrant church family
with a heart and soul for people and God

From the Editor,

Welcome to this special edition for 2020.

WOW, 2020 has been, and continues to be, a very special year of drawing closer to the Lord, and a season for greater unity in the Body of Christ. **BĒLΦŃG** provides a wonderful record of much of HTK's church, social and community activities as well as celebrations of life that bring blessings to others.

All your contributions to our parish family and our local community are important. Let's continue to collect these memories and make them available for all to see. Please continue to take and submit photos of significant events and send them into us with a short article.

Some content or articles may be edited and photos cropped due to space and layout constraints. Ideas and suggestions welcome and should be submitted by email to the editor for consideration.

All content and photos (one or two suitable high-resolution photos with each article) should be submitted to the editor.pariשמגזין@gmail.com as soon as possible after an event or activity to allow sufficient time to meet our deadlines.

Closing date for submissions for the next edition is 19th February as the magazine will be published and available on or about the 26th February 2021.

Many thanks, Penny Wallace

welcome

Dear HTK Parish Family,

“Silent Night, Holy Night”

What is your favourite Christmas carol? Mine is “Silent Night, Holy Night.” The reason I have liked it, even from my childhood, is that it is full of peace, beauty and the utter radiance of heaven. Sung by candlelight, especially at the end of a Christmas Eve worship service, it touches a chord deep within my heart.

At the end of the year that was completely disturbed by Covid-19, it is wonderful to be entering into that special time of year when peace abounds. Covid-19 and the restrictions were not all bad though. Many people discovered the value of living a quieter, more family-focussed life.

For many Christians, the lockdown period was a time when they drew closer to God and came to value alternate Spiritual practices. For me, one of the Spiritual practices that I grew in appreciation of, was the practice of silence, of being quiet before God and just listening, to try and hear that still, small voice as Elijah did on the top of Mt. Sinai.

I found the practice of silence very refreshing and helped me grow closer to God. In October, I attended a Diocesan Retreat for Clergy at Ormiston on the theme, “Treasure in Jars of Clay- Beauty and Brokenness.” Our retreat leader was Bishop Matt Brain of Bendigo who lead us via pre-recorded sessions. His opening talk was on making the most of silence.

He gave us five points as to why we need silence:

1. The pace of modern life doesn't let our neurochemistry replenish. Silence restores it.
2. Ministry's demands never seem to end. (You can make you own substitute here). Ministers enjoy mowing the lawn because it is something finished and done. Ministry never seems to be. Silence is a cut-off point.
3. Wisdom requires reflection to know what the information means. Heaps of information is available today.
4. We tend to speak too soon and listen too little. We need time to listen in silence.
5. God demands an audience. We need to stop talking and listen to God.

He then gave us five points on entering into silence.

1. We need to make time for silence to quieten the inner chatter.
2. We need to engage the other senses. When we are always talking, we do not develop our other senses and we can damage our hearing.
3. We need to start with a plan as to how we will listen and be willing to change it.
4. Bishop Matt suggests read, think, pray, do something physical (short walk, push-ups!!), sit and then repeat.
5. Write a letter or a song. By engaging pen and paper, you also involve others.

Life is busy for many people. Even retired people tell me that they are so busy, they wondered how they ever found time to work. Most people live life at breakneck speed. Running here, going there, doing this, doing that. There is no greater time of the year that this happens than at Christmas- all of the present buying, all of the parties, all of the break-ups, all of the cooking, all of the preparation and so on and so on and son on!!

Christmas will be so busy for most people that they won't hear the cry, the cry of a newborn baby born about 2,000 years ago and laid in a manger in a stable. It seems such a long time ago. It seems such a faint cry now. But, if you stop and if you listen, you will hear that cry, that cry that not only brings you salvation but gives you wisdom, guidance and direction in all aspects of your life. If only we could listen. If only we could be still.

It was on a silent night that that baby's cry pierced the stillness of that night and the world has never been the same again. As you celebrate Christmas this year, take time to stop, be still and enter into the silence to hear the voice of God who spoke to us and still speaks to us through his Son. As you travel through 2021, make silence a part of your Spiritual practice and take the peace, beauty and utter radiance of heaven with you through the coming year as you enter deep into the heart of God and his Son, Jesus. Your own little bit of Christmas, each and every day.

May you all have a very happy, holy and safe Christmas with your family and friends and every blessing for the New Year,

Father Steve and Clenda

PRAYER

Acknowledgement

Acknowledging who God is as Creator of the universe and lover of your soul. The Alpha and Omega. The same yesterday, today and all the tomorrows.

Confession

Honestly confessing your wrongdoings. Your thoughts, words or actions that came from ego, greed or judgmentalism. When you didn't bring glory to God.

Thanksgiving

Giving thanks with all your heart, mind, soul and strength. Counting your blessings with gratitude, be they material or intangible. Thankful for creating you.

Supplication

Asking with a humble heart. Seeking from your soul, not your shopping list. Interceding on behalf of yourself, your friends, your community, your world.

Let this be a guide, not a prescription.
Let it speak to and inspire the Holy Spirit that lives within you.
God loves it when you seek Him in prayer.
In any language, be it fancy or traditional, or plain and simple.

STRESSED I'M NOT STRESSED : NEW NORMAL : CORONA VIRUS COVID19

In March this year we all woke up to a life forever changed.
Our world has been affected by Covid virus which
rearranged

Our lives, habits, rituals and fun.
We knew not how or where it begun.

So we will remember 2020,
where we've been rocked aplenty.
Roller Coaster in our lives each day,
till we settled into a Normal Way ?

**Really, new normal, what's this meant to be?
We're adapting to the future ways together you and me.**

The shops were short on dunny rolls rare,
flour, sanitizer, some shelves were bare.

Did some Aussies forget that we all still can share?
Some places were closed, and some others were locked,
Some places had long queues then were better stocked.

Words often heard from the TV news chasers,
were lockdown, social distance, isolation, vaccine races.
Will our leaders and boffins keep up these speedy paces?

More words about cruise ships,
hotel quarantine, don't trip on our laces.

Tracing, testing successes, failures, hold on to your braces.
Sadly, Aged Care homes sorrow,
praying for a better tomorrow.

**Really, new normal, what's this meant to be?
We're adapting to the future ways together you and me.**

At other places like lifts, there are signs of numbers allowed,

To reduce us from contact, am I forming a crowd
Schedules, appointments, times, no need to fluff,
The Medicos are brave and made of stronger stuff.

Police, Ambos, Nurses, Army, are on Red Alert,
Gives our polliés a "Hurry up" and to make a spurt.

At first our Diocese and Churches were in quite a spin.
Then they organised, and safety rules came in.

Online Service links are pretty good,
supplying connection and Spiritual food.
We missed our joint worship and after a while,
Back to church we went, and saw Steve's smile.
With sign up sheets and sanitizer on tap for our care,
and when you leave we'll be spraying your chair.

Do ensure that you wash your hands,
and see those markers for sits or stands.

Be on the list, if you are staying for tea,
We know the goal is for our own safety.

Now come in this way, then go out, no fuss.
No starting spontaneous days yet for us.

**Really, new normal, what's this meant to be?
We're adapting to the future ways together you and me.**

Wow, State Borders are open, friends & rellies may travel,

Let's hope here in Queensland it does not unravel.

In this World, we're doing better than other lands.

We have risen to the task, firstly we're in God's hands,
ploughing through unknown and ever shifting sands

Now Advent, then Christmas is nearly here,
may love surround you with those you hold dear.

The hugs of my friends I miss the most,
though all is not lost is my wish.

When physical distance, and grip of Covid will
surely get the big swish.

**Really, new normal, so what does normal cost ?
we're adapting and learning together,
till the dreaded virus is tossed !!!!!**

YOUTH MINISTRY

For youth aged 7 to 18
from 7pm to 8.30pm Friday nights

We have had a great time this term with lots of fun, some new friends joining us and many challenging events, from games to a photo scavenger hunt, bubble fun, and master chef, where we made bread and craft.

The Young and Awesome youth have learnt about many parts of the new testament from the gospels and the letters, to understanding that they are all individual and made by God and that He cares for us and will always be there for us.

Thanks for our leaders and helpers who are always there to support our young people.

Thanks Father Steve, Janet, Andy, Lara, Heather, Justin and James and for our awesome home-made desserts from Phil.

CANS AND BOTTLE DONATIONS

Young and Awesome would like to thank all the members of HTK Church who have donated their cans and bottles. At the end of July, we had raised \$302.50 and at least another \$150 since then. Some of these funds were used to supplement the cost for three of our year 7 youth who attended Ichthus Camp in the September school holidays.

We are excited to be able to supplement the cost for some of our primary youth attending the Primary Ichthus Camp coming up in early January.

We now have an account with *Containers for Change*, so if you have been saving bottles and cans, please remove the lids, bag them up into plastic (recyclable) bags and drop them off to one of the recycle centres with our ID number. QR CODE and number

Of course, we will continue to collect them at Church as well, so if you can't do this, please just drop them off but it would be great if they could be in a plastic bag and please remove the lids. The Young and Awesome Youth will still take them to the recycling centres.

ICHTHUS LIMITED EDITION 2020 SEPTEMBER

Piper, Liam and Harriet attended Ichthus Camp at Bornhoffen in the Gold Coast Hinterland for a week during the September School holidays. With 60 attendees from all over Anglican Youth Queensland at camp, they spent time having fun, worshipping, eating, getting messy and learning more about God.

Their theme for the week was Corinthians 12:12-31 and in daily small group sessions, they discussed their hands, their feet, their eyes and their ears and 'who we are within our communities and what makes us who we are'. Here are some photos from their messy games day.

Next up will be our Primary Ichthus Camp and if anyone wants to send their children/grandchildren - we need to get in quick.

The details are:

When: Wednesday 6th January to Saturday 9th January 2021

Where: Camp Maranatha, 275 Wappa Falls Rd Yandina

Who: Those starting grades 4-7 in 2021

Tuesday Breakfast

Our Tuesday morning breakfasts continued to grow following a shutdown due to Covid. We now have over 20 people joining us each Tuesday to enjoy cereal, bacon and eggs, sausages, baked beans, toast, juice, tea and coffee.

Thank you to all the volunteers who provide the service and who have donated goods and money to help support this ministry.

HUB BREAKFAST

This year, a number of formerly homeless men and women have been housed at the sports hub in Sportsman's Parade. We have now also commenced providing a breakfast there once a month.

BUNNINGS SAUSAGE SIZZLE

The majority of the funding for our social welfare outreach comes from our quarterly Bunnings sausage sizzle. Thanks also to all those HTK folk who volunteer. Our last sausage sizzle on 23 November raised \$1000 for this ministry.

Thank you to those who have purchased calendars, and also thank you to the publishers and printers of the calendars.

This enterprise has added another \$1100 to our capacity to increase our ministry to those who are doing it tough.

CHRISTMAS HAMPERS

This year we will also be providing Christmas hampers to a number of families at Kawana State College who would otherwise have a difficult Christmas. Thank you to all those HTK folk who have donated funds for these hampers. We will also provide Christmas hampers to our regular Tuesday morning clients. We continue to help fund the Wednesday night dinners at St Peter's Anglican church, Maroochydore.

Kawana State College Chappie, Mark Green, collects family hampers that Don and Diane Henderson have lovingly prepared from all your donations.

FOSTER CHILDREN'S GIVING TREE

Despite the theft of 30 to 40 gifts from the Anglicare Foster Kids Christmas Tree, HTK rallied together to replace them and the total of gifts this year exceeds that of previous years with a total of 165.

The recent theft, which was covered by our local Television Stations also prompted some community support. THANK YOU ALL for YOUR GENEROSITY

KIDZ KINNECT Playgroup

The first year of HTK's Kidz Kinnect Playgroup will end on Monday December 7th with a special Christmas themed morning of craft, carols, Christmas music, the Nativity story and of course, some special goodies for the children.

This year has allowed Yvonne, Lorraine and myself, the opportunity to meet and spend time with many wonderful families.

We can only hope that we have offered them a safe environment, where both parents and children can relax and enjoy each other's company and have fun.

We will re commence on 1st February 2021.

Anyone interested in joining our band of helpers, please speak to Yvonne or myself.

As we all know this year has had its challenges, but we have managed to keep Man Cave running in a simpler and safer format than the year before.

Our dinners have been restricted to Take Aways mainly but we are hoping to introduce a fuller and healthier menu for next year.

But in saying all that we have had an interesting program with several speakers to entertain us, plus our normal relaxed informal discussions .

Our final Man Cave gathering was on Tuesday 24th November 2020 at the Club Kawana.

At this point I would like to stress that Man Cave is for any male parishioner over 18, and I would personally like to invite all the men young and mature (note I didn't say old) of HTK to come along and join our group.

God Bless, Gary Campbell and Allan Reynolds.

PRIME TIME

Prime Time is a ministry to our retirees at HTK and in the community. Due to Covid and the age of our Prime Time family, events were put on hold for a number of months. However, you can't hold Prime Timers down for ever, and we burst back with a number of great events.

Fish and Chips

by the lake saw 38 of us out in force to enjoy our fish and chips. We moved our venue from Golden Beach to HTK to allow more under cover social distancing, but it did not reduce the fun and community feel for the evening. Everyone agreed the meal and the venue made for a great night, and a great prelude to Queensland winning the State of Origin later that night.

CHRISTMAS MORNING TEA

Our final event for the year was the Christmas Morning Tea and Concert. Fifty of us came together to enjoy tea and coffee and individually-wrapped sandwiches and cakes, before being entertained by Bozo and Heather, a well known country and western star, a bush ballad, and of course, carol singing.

Scott Windred commissioned as Priest in Charge of Sunnybank Parish

On Wednesday 18th November, Scott Windred was commissioned by Bishop John Roundhill as priest in charge of Sunnybank Parish. As many in the parish would know, Scott came to HTK church a number of years ago as a *Youth with a Mission* member, and we saw him go off to different parts of the world for mission.

Scott then became our Youth Minister at HTK and it was during this period that we got to know Scott so well and got to meet his girlfriend, fiancée, and now wife, Sarah. Scott and Sarah added a great deal to our ministry to young people, and also to our worship music with Scott on guitar and Sarah's beautiful voice.

HTK supported Scott in his first year of study for his degree in theology. We then had to farewell Scott as he and Sarah moved around the diocese gaining exposure to different styles of Anglican churches.

This has been a huge year for the Windreds with the birth of their son, Ezra, Scott's commissioning as a priest in charge of Sunnybank Parish, and Sarah completing her PhD. Congratulations to you all.

Laurel Beaumont - 25 May 1941 - 12 November 2020

Laurel has worshipped at HTK for many years and brought her daughter and grandchildren with her to join the HTK family. In their younger days Laurel and her husband travelled widely around the world and her children grew up as world citizens. They eventually retired to the Sunshine Coast and Laurel was involved in many diverse activities including Probus and Mah-jong.

During the Covid isolation earlier this year Laurel was separated from two of her daughters; one in Sydney and the other in the USA. Thankfully, her youngest daughter, Cherie, lives locally at Twin Waters and was a great support to her Mum.

Laurel shared about the joy she experienced in sharing worship online on Easter Sunday, and that it far outweighed the isolation and separation she was experiencing from the rest of her brothers and sisters in Christ during the Covid lockdown. She was so pleased to be able to 'attend' the Easter Sunday service from the comfort of her own bed (she is one of the many of us for whom morning comes too early in the day!)

Laurel passed to her eternal reward on the 12th of November, after a short but intense hospitalisation for pneumonia. Rest in peace, dear sister, and our love and prayers to her daughters and their families.

Our Parish Prayer

Renew in us, O God, the zeal of your love. Let our Parish come alive with the power of your Spirit. Where we have failed, forgive us. Where we have persevered, encourage us. Where we are in doubt, direct us. Help us to see new opportunities for witness and service for the sake of Jesus Christ, our Lord and Saviour.

Amen

Pastoral Prayer

God our Father, grant us the skills to serve your church; the ears to hear the calls for help; the lips to speak your words of truth; the eyes to see the needs to fill; the feet to go to those in want; the mind to meet the doubts we find; the heart of love to share your peace; the hands to work without reward; we ask this only to do your will, through Jesus, our Redeemer and friend.

Amen

Prayer for Youth

Lord, guide us as we minister to young people in this place. Send families and children to us that we can share with them your love for your children, that they may grow in love for you. We offer over to you our children's church, the leaders and all those who attend. We ask your continued blessing upon our Youth. Help us as we seek to nurture their faith, answer their questions, and above all, lead them into a deeper relationship with you.

Amen

Prayer of Evangelism

Heavenly Father, set our hearts on fire to go into the world in your name. Grant us wisdom, and the confidence to speak your word. Give us the strength and the will to continue through all circumstances. Help us take the good news to all who will listen, so that they may know Jesus as their Lord and Master. May we glorify your name in all we say and do. In Jesus name we pray.

Amen

To enable us all to look after each other as a church family, there may be a need from time to time to contact someone's family. To that end we have developed a new form for you to notify us of the contact details for other members of your family. We will only contact them if we need to, and we won't be sending them any emails. The new forms are on the Welcome Table at the back, please take a moment to fill one out! If you have any queries, please feel free to speak with Deb in the office.
